- Active ingredient: bromethalin
- .01% (100 PPM)
- Combines speed of active ingredient with the palatability of soft bait

Soft Bait

8g (.28 ounces per pouch)

- 227 pouches per 4 pound bag

**TAKE
DOWN**

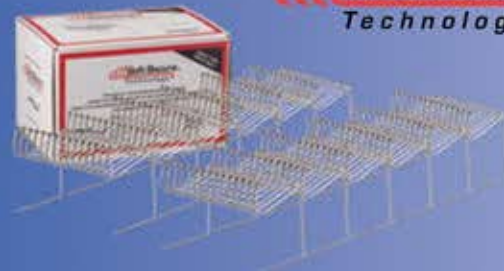

Blocks and soft bait are sold by weight and not by unit. Number of blocks/soft bait per pail are approximates.
Weight conversions: 1.41 ounces = 40 grams; 1 ounce = 28 grams; .88 ounces = 25 grams; .71 ounces = 20 grams;
.42 ounces = 12 grams; .35 ounces = 10 grams; .28 ounces = 8 grams

SoftSecure™ Technology

- Rodenticide placement device
- Ideal for soft bait and also works with traditional blocks
- Designed for most professional bait stations
- No bait rod hassles
- No paper means no mess
- 12 SSTs per case
- Easy to use: peel off paper, place bait, close lid and go

Soft Secure™
Technology
