

# CANNON - YOUR NEW ROTATION PARTNER

8 gram placements

4 lb. Bag, 4 bags/case

## THE WORLDS FIRST BROMETHALIN SOFT BAIT

*Outperforms wax blocks*

*No-wax formulation does not melt in high temperatures*

*Control with a single nights feeding*

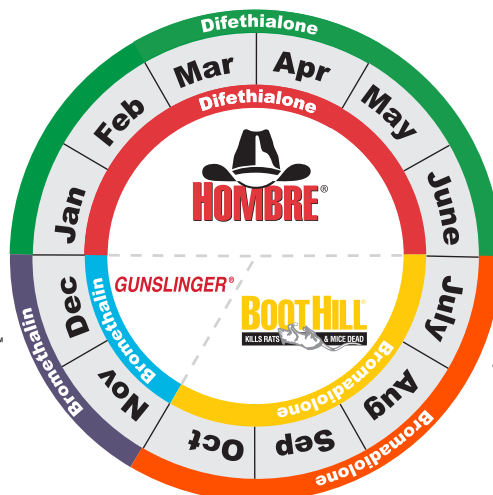

*Low cost 8 gram placements provide less bait waste*

*Contains Bromethalin: kills rodents in as little as 48 hours*

*Saves money: rodents cease feeding after consuming a lethal dose*

*Rodents find Cannon tastes better - see back for details*

*Best choice for a non-anticoagulant in a bait rotation*

3 Rotational Options, 3 Active Ingredients, Liphatech

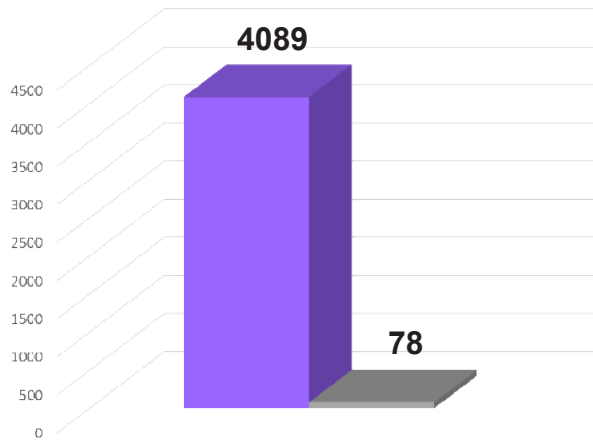

# INCREASE BIOSECURITY, REDUCE DISEASES
